Safe Harbor

Statements in this press release regarding Genpact's intention to pay dividends on its common shares from time to time are forward-looking statements. There are a number of important factors that could cause actual events to differ materially from those suggested or indicated by such forward-looking statements. These include, among others, Genpact's cash flows from operations, macroeconomic uncertainty and general economic conditions, any deterioration in the global economic environment and its impact on our clients, technological innovation, including AI technology and future uses of generative AI and large language models, and our ability to invest in new technologies and adapt to industry developments at sufficient speed and scale, our ability to develop and successfully execute our business strategies, our ability to effectively price our services and maintain pricing and employee utilization rates, general inflationary pressures and our ability to share increased costs with our clients, wage increases in locations in which we have operations, our ability to attract and retain skilled professionals, the economic and other impacts of geopolitical conflicts, as well as any potential expansion or escalation of these conflicts or resulting economic disruption beyond the current scope, and other factors identified in our most recent Annual Report on Form 10-K and other reports filed with the SEC. Genpact undertakes no obligation to update any forward-looking statements that may be made from time to time by or on behalf of Genpact.
