Genpact Limited Board Declares Quarterly Cash Dividend

October 15, 2026

NEW YORK, Oct. 15, 2026 /PRNewswire/ -- Genpact (NYSE: G), the Agentic Operations company, today announced that its board of directors has declared a cash dividend of \$0.1875 per common share for the fourth quarter of 2026. The dividend is payable on December 23, 2026 to shareholders of record as of the close of business on December 10, 2026. The declaration of any future dividends will be at the discretion of the board of directors.

About Genpact

Genpact (NYSE: G) is the Agentic Operations company, where applied AI meets context-rich process intelligence. We run and transform mission-critical operations for global enterprises. Genpact's Agentic Operations are grounded in decades of operating core business processes at scale across finance, supply chain, banking, insurance, and more. Our flywheel of advanced technology, trusted data foundations, and deep ecosystem partnerships moves enterprises rapidly from experimentation to scale. AI agents bring speed and precision, human experts bring judgment, and together they deliver outcomes clients can measure.

Safe Harbor

Statements in this press release regarding Genpact's intention to pay dividends on its common shares from time to time are forward-looking statements, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. There are a number of important factors that could cause actual events to differ materially from those suggested or indicated by such forward-looking statements. These include, among others, Genpact's cash flows from operations, macroeconomic uncertainty, U.S. and global trade and tariff policies and general economic conditions, political, economic or business conditions in countries in which we operate, any deterioration in the global economic environment and its impact on us or our clients, our ability to develop and successfully execute our business strategies, highly competitive markets and any inability to compete effectively, technological innovation, our ability to anticipate, develop and incorporate advanced technologies, including artificial intelligence ("AI") technologies, such as generative and agentic AI, into our solutions and services as well as our internal operations and to compete in the rapidly evolving technological environment and successfully implement and generate revenue from new solutions and services, our ability to effectively price our services and maintain pricing and employee utilization rates, general inflationary pressures and our ability to share increased costs with our clients, wage increases in locations in which we have operations, our ability to attract and retain skilled professionals, the economic and other impacts of geopolitical conflicts, as well as any potential expansion or escalation of these conflicts or resulting economic disruption beyond the current scope, changes in tax rates and tax legislation, tax audits, investigations and tax proceedings, claims and lawsuits, including by clients, employees or other third parties, and other factors identified in our most recent Annual Report on Form 10-K and other reports filed with the SEC. Genpact undertakes no obligation to update any forward-looking statements that may be made from time to time by or on behalf of Genpact.
