

## Genpact Schedules Earnings Announcement and Conference Call for Third Quarter Fiscal 2011 Results

October 13, 2011

NEW YORK, Oct 13, 2011 (BUSINESS WIRE) -- Genpact Limited (NYSE: G), a global leader in business process and technology management, will announce results for the third quarter ended September 30, 2011 on Friday, November 4, 2011.

Genpact management will host an hour-long conference call beginning at 7:00 a.m. ET on November 4 to discuss the company's performance for the third quarter of fiscal 2011. To participate, callers can dial 1-866-202-1971 from within the U.S. or +1 617-213-8842 from any other country. Thereafter, callers will be prompted to enter the participant code, 76931561.

A live webcast of this event will also be made available on the Genpact Investor Relations website at <http://investors.genpact.com>. For those who cannot participate in the call, a replay and podcast will be available on the Genpact website after the end of the call. A transcript of the call will also be made available via the website.

### About Genpact

Genpact, a global leader in business process and technology management services, provides the science behind superior business processes. Genpact's unique process thought leadership captured in its Smart Enterprise Processes (SEP<sup>SM</sup>) framework, combined with deep industry domain expertise, delivers better business outcomes across the enterprise, rather than simply providing efficiency gains within a single function. Driven by a passion for process and operational excellence based on its Lean and Six Sigma DNA, Genpact's 51,000+ professionals around the globe deliver world-class business process management services. Genpact also enables companies worldwide to make smarter decisions, helping them to drive revenue growth, compete more successfully, mitigate risk effectively, and improve operating margins and working capital. Genpact's Smart Decision Services deliver business insights to its clients through targeted analytics, reengineering expertise, and advanced risk management for better business decisions. And finally, Genpact makes technology more intelligent by embedding it with these process and data insights. Genpact delivers all of these solutions everyday to its more than 600 clients - from a network of 51 delivery centers across 17 countries supporting more than 25 languages.
