Item 1A. Risk Factors

Tax matters may have an adverse effect on our operations, effective tax rate and financial condition, page 17

1. We note your disclosure that the Government of India issued assessment orders seeking to assess tax on certain transactions that occurred in 2009, 2010 and 2013. Please tell us how you considered the guidance in ASC Topic 450-20-50-2A through 450-20-50-8 in concluding that it would not be necessary to include disclosure related to the assessment orders in your financial statements.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
